III. Terms and Conditions.

The Applicant shown below hereby requests Advanced Internet Network Computer Solutions Inc. to provide the Internet Accessibility to the data obtain from the San Diego County Court in a web searchable format service, at the rates and subscription plans indicated on this application. Applicant confirms that the information provided above to Advanced Consulting. is both accurate and true. The Applicant agrees that this account will not be used for illegal purposes and will use this account within the normal and accepted Internet practices and guidelines. Advanced Consulting will not be held responsible for any reason, for damages suffered through use of our services or for loss of service due to network outages, regardless of cause. This service is to provide the legal community a way to view court records compiled by the San Diego county court system online. This data can be obtained via the web or the San Diego Court system to anyone wanting to posses the data. Advanced Consulting provides a database tool to search through this data. We do not alter any records in the data. At times the data may be change when new updates are applied. This is due to corrections made by the San Diego Court. What is provided is mirrored with what the court system provides but in a format designed by Advanced Consulting. Advanced Consulting is in no way affiliated with the San Diego Court System.

This is a subscription service. We provide an exact example of the data you will find online in our example section. This service was not setup to refund fees paid because the customer didn't know what he was signing up for. Review the online example before you commit to this subscription. Once you sign up, you will be configured to access the system for the subscription time you signed up for.

Data is currently updated monthly around the first on the month when the data is posted on the Internet by the San Diego Court System. Plans are scheduled for weekly updates in the near future.

By signing this application and using Advanced Consulting's network, The Applicant agrees that they have read, understood, and accepted the current policies of Advanced Consulting. Violation of the rules could lead to your service being terminated.
